

LIFE LINE SCREENINGS

The Venice Board of REALTORS® has scheduled Life Line Screening to perform 4 important health screenings for members of the Board as well as members of the community.

Each year Life Line comes to our area and performs the following tests for only \$129:

- 1. Stroke Screening/Carotid Artery;**
- 2. Abdominal Aortic Aneurysm Screening;**
- 3. Peripheral Arterial Disease Screening and**
- 4. Osteoporosis Screening.**

The tests take less than one hour and quickly detect arterial abnormalities which can cause disrupted blood flow.

These screenings are fast, accurate, non-invasive and completely painless! And best of all, they are affordable! They are not covered by Medicare, nor does Life Line file insurance claims. Payment may be made by Visa, Master Card, Discover or American Express.

The Board of REALTORS® is happy to offer the convenient location of its office along with the reasonable cost to both its members and the community.
