

ANTHONY ACCARDI, SECRETARY

Anthony Accardi is Broker/Owner of Accardi & Associates Real Estate, a boutique brokerage that has been serving the Venice and surrounding communities for over 30 years. Anthony was only 7 years old when the blizzard of 1978 brought his family to permanently vacation in Venice. In that time Anthony has seen Venice grow and his strong ties to the area have grown with it.

When not connecting with his Agents, clients or committee members, he enjoys connecting with the community through the hobbies of music, motorcycles and conversations about adventure travel. In those conversations you probably hear his motto "If you don't ask the question, the answer is already no."

It's not uncommon to be out and see Anthony performing on a local stage or enjoying the Florida sun while delivering documents via 2 wheels. Most notable and probably least known about Anthony is that he's the guy most people call when Chuck Norris isn't available to help. All that being said, Anthony is looking forward to stepping into this new role at the VABR.
