

TINA SPRINGER, DIRECTOR

Tina Springer and her husband Mike were determined in 2012 to move from the Reno-Tahoe area of Nevada to Florida upon their retirement. That started 2 years of searching the State for the perfect spot. Mike drove a 40ft RV from Reno to an RV storage facility close to the Tampa airport and commenced a series of weeklong trips after midnight landing at Tampa airport scouting the entire coastline up to Pensacola, over to St. Augustine, Miami, Naples and all parts in between. On our last trip we landed at the RV park on River Road and Venice was it... The best spot in the State!

Home purchase, full home remodel, retirement, Florida real estate license, (Tina was a Realtor in Nevada). Tina, with all the preliminaries, completed and started her favorite job, (not remodeling), which is real estate with Coldwell Banker Realty in 2018 and that is where she has stayed. At the same time, she joined the Women's Sertoma Club of Venice, every summer going to every Merchant, restaurant, business in downtown Venice and surrounding areas gathering gift cards and gift baskets for the Sun Fiesta to support of Venice High senior girls' scholarship's, gathering backpack's donated by area Realtor's every year for Laurel-Nokomis Civic center, belongs to the Council of Catholic Women at Epiphany Cathedral Catholic Church to support the Mother's House and other charities. Tina has served on committees with the Venice Area Board of Realtors, Special events and Scholarships.

Tina's knowledge of real estate is gained not only from her years of experience but also as Mike's wife, Mike was a successful Construction industry litigation attorney in Nevada for 43 years and Tina had the "privilege" of aiding Mike in his practice organizing contract documents, Trial exhibits and listening to Mike's rehearsals of Trial opening and closing arguments involving contract interpretation and performance issues.
