

SUE THOMPSON, MEMBERSHIP COORDINATOR

Sue joined the board in January 2017 and took over as Membership Coordinator in November.

Originally from Trinidad, Sue and her family moved to Florida in 1995 and bought Steve's Super Subs and had the first street legal golf cart that they used for deliveries. In 2002 they were sworn in as proud American citizens! They were very active with Venice Main Street and the Venice Chamber of Commerce and in 1999 won the small business of the year.

Sue was the VP of the VHS Marching Indians booster club. She coordinated day to day operations with the band director helping students get ready to perform at the home and away games.

She was also part of the fundraising committee and helped raise \$42,000 in 1 year! The most successful event being the Cow Pie Bingo! She was the VHS Volunteer of the year in 2002.

Sue is a Certified Wellness Consultant and loves helping people feel and look better.

In her "spare" time she loves to spend time with family and friends, sometimes hard to do as her grown kids live in the UK, Australia and Michigan. She and her husband recently bought a tandem and enjoy rides together!
