

HELEN MOORE, TREASURER

Helen Moore has been a specialist in Venice Gulf front, waterfront and island residential properties since the late 1980s. Much of her award-winning sales volume each year comes through repeat customers and their recommendations to others.

Helen sits on the City of Venice Planning Commission, and has served on the city's Board of Zoning Appeals. She is also well known in Venice for her leadership in many organizations, including the Chamber of Commerce and Venice Main Street. Helen is the current Secretary of the Venice Area Beautification Board of Directors. She joined the Venice Area Board of Directors in 1992 and is a past president, along with being named Realtor of the Year for 2003. She also serves the Florida Association of Realtors as a past district vice president and director.

Helen is passionate about Venice and the real estate profession. She combines that enthusiasm with her years of experience to help both buyers and sellers achieve their perfect transaction in "paradise."
